Correction to: Y. Ahmad, S. Kissling, C. Torrent, J.-D. Chiche, L. Liaudet, Z. Ltaief. The three biological gaps and hyperoxaluria in ethylene glycol poisoning: case presentation and review. *Eur Rev Med Pharmacol Sci* 2021; 25 (20): 6295-6299–DOI: 10.26355/eurrev\_202110\_26999–PMID: 34730209, published online on October 27, 2021.

Following an editorial quality check, we have determined that incorrect references from another article were inadvertently inserted into the final PDF during production. The error was not detected by the authors prior to publication, and the PDF file was approved for publication. The erratum is issued to correct the whole list of references.
